ACCESSIBILITY

Do any of your group have additional accessibility needs? Our Box Office and Front of House team will be present on the day to assist you as well as look after any mobility aids left in the foyer once you take your seats.

Please note the only level access seating is in the Circle, Row N. Our auditorium has a hearing loop which can be accessed by switching your hearing aid to 'T' for telecoil.

If you wish to discuss your booking or have any changes to your accessibility needs, please don't hesitate to contact our team on 1300 163 808.

Due to heritage requirements, our foyer has limited seating available prior to the performance. If you wish to take your seat in the auditorium immediately, we recommend arriving at the venue 30 minutes prior to the scheduled performance time.

BARS

Our Venue's Bars operate one hour prior to the performance.

Our bespoke cocktail lounge, The RBC Lounge, will also be open post show. This lounge is on the same level as our main entrance from King Street.

In the lounge and at our Bars, you can enjoy our selection of light snacks, such as confectionery, gelato, wraps, pastries and an excellent array of beverages perfect to enjoy before the performance.
